

EL-MOHANDES

For Agricultural and Horticultural products

About Us:

EL-MOHANDES For Agricultural and Horticultural Products is a family-owned Egyptian company founded in 2003 by Eng. Marwan Karkoura

The firm currently runs two different businesses.

We own a pack station where fresh fruits are carefully processed and prepared for cold storage to assure it stays fresh till it reaches the hand of the consumer.

Alongside, we own a wheat milling plant supplying the local market with high-end wheat flour and other wheat byproducts.

Our Brands:

From 2003-2023 we had different brands (“Badr Oranges”, “El-Mohandes Oranges” and “Sultan”) for exporting citrus fruits.

In 2024 we have launched our new brand “Citra Globe”, to be our trademark in exporting all kinds of citrus such as; lemon, oranges, grapefruit and mandarin.

Mission:

-We take the responsibility of safe food produce on the top of our priorities.

- Obligated to deliver fresh and healthy products to our clients following the international standards.

Vision:

-We consistently work hard to achieve the sustainable and green industry we have been always looking forward to.

-Increase our exports to the international market helping to support the local economy.

Our Location:

- Manufacture and pack-station: Second industrial zone, New El-Noubaria City, Egypt.

- Head Office: Portal A-104, Sodic West, El Sheikh-Zayed City, Egypt.
